ZA-2007-4838-PAB**
Project Address: 800 W. Olympic Boulevard (LASED Units A 115, 130, 135, & 150)

Dear Zoning Administrator:

At its regularly held public meeting on November 13, 2007, the Board of Directors of the Downtown Los Angeles Neighborhood Council ("DLANC") voted to support the four restaurant projects at 800 West Olympic Boulevard, within the Los Angeles Sports and Entertainment District ("LASED"), pursuant to the motion passed on October 24, 2007 by DLANC's Planning & Land Use Committee.

In particular, DLANC encourages the City to grant the site plan approvals requested by the applicant for these LASED units for which CUB permits were previously approved. DLANC supports the addition of new housing, entertainment and other commercial space in South Park as part of the LASED. DLANC also favors the LASED project elements which are designed to promote pedestrian-friendly streets, including these planned restaurant uses.

Please provide a copy of the decision letter to DLANC at the address listed above. Thank you for your attention to this matter.

Very truly yours,
