RE: **Planning Case #:** ZA-2008-0560-CUB  
**Project Address:** 600 West 9<sup>th</sup> Street – CUB Application for Panini Restaurant

Dear Zoning Administrator:

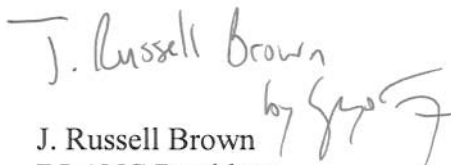

At its regularly held public meeting on January 8, 2008, the Board of Directors of the Downtown Los Angeles Neighborhood Council (“DLANC”) voted to support the above CUB application for the Panini restaurant project at 600 West 9<sup>th</sup> Street, pursuant to the motion passed on December 18, 2007 by DLANC’s Planning & Land Use Committee.

In particular, DLANC encourages the City to grant the approvals requested by the applicant, including a conditional use permit pursuant to L.A. Municipal Code section 12.24-W1 for the sale and dispensing of a full line of beer and wine for on-site consumption at the proposed Panini restaurant. DLANC supports the planned development of this street-accessible and ground-floor restaurant serving Downtown’s employees, residents and visitors.

Please provide a copy of the decision letter to DLANC at the address listed above. Thank you for your attention to this matter.

Very truly yours,

Very truly yours,
