RE: **Planning Case #:** ZA-2008-1102-CUB
Project Address: 2311 S. Santa Fe Avenue – CUB Application
Applicant: Standard Oil Company

Dear Zoning Administrator:

At our regularly held public meeting on September 9, 2008, the Board of Directors of the Downtown Los Angeles Neighborhood Council (“DLANC”) voted to support the above-mentioned Conditional Use (CUB) application for the property located at 2311 South Santa Fe Avenue, pursuant to the motion passed on August 27, 2008 by DLANC’s Planning & Land Use Committee.

In particular, DLANC encourages the City to grant all approvals requested in the application by the applicant, including a Conditional Use Permit, pursuant to L.A. Municipal Code Section 12.24-W1, to allow patron dancing, live entertainment and the sale and dispensing of a full line of alcohol for on-site consumption at the proposed future restaurant. DLANC supports the planned development of this new nightlife use serving Downtown’s employees, residents and visitors.

Please provide a copy of the decision letter to DLANC at the address listed above. Thank you for your attention to this matter.

Very truly yours,

J. Russell Brown
DLANC President
