Los Angeles, California 90071

Dear Hilary:

At our regularly held public meeting on August 11, 2009, the Board of Directors of the Downtown Los Angeles Neighborhood Council ("DLANC") voted to submit the following letter in support of the efforts of Fixing Angelenos Stuck in Traffic ("FAST"), pursuant to the motion passed on July 22, 2009, by DLANC's Planning & Land Use Committee.

DLANC generally supports the goals of FAST to seek short-term solutions to traffic congestion in Los Angeles, including Downtown. We encourage FAST's efforts to pursue the implementation of identified solutions, including the recommendations of the Rand Report addressing traffic issues in our City. DLANC appreciates FAST's inclusive and community-based approach to seeking support for its efforts, and is proud to join the coalition of partners.

We look forward to working with you on traffic issues. Please provide a copy of any future communications to DLANC at the address listed above. Thank you.

Very truly yours,

J. Russell Brown  
DLANC President
