RE: Planning Case #: ZA-2008-3819-ZV
Project Address: 2181 E. 10th Street – Application for Zone Variance
Applicant: 4 US Image Inc.

Dear Zoning Administrator:

At our regularly held public meeting on July 14, 2009, the Board of Directors of the Downtown Los Angeles Neighborhood Council (“DLANC”) voted to support the above-mentioned request for a zone variance for the recycling center at 2181 East 10th Street, pursuant to the motion passed on June 16, 2009, by DLANC’s Planning & Land Use Committee.

In particular, DLANC encourages the City to grant all approvals requested in the application by the applicant, including a zone variance to allow the operation of a recycling center on the site subject to specific conditions set by the LAPD and Council District 14 addressing public safety and nuisance issues. In addition, DLANC also requests that the applicant provides clear signage, prohibits all walk-up customers, and that a sunset provision be applied to the permit upon the change or transfer of ownership of the business.

Please provide a copy of the decision letter to DLANC at the address listed above. Thank you.

Very truly yours,
