RE: Planning Case #: CPC-2009-2677-SP-ZC-DA
Project Address: 900 W. Olympic Blvd
Applicant: AEG Worldwide

Dear Zoning Administrator:

At our regularly held public meeting on November 10, 2009, the Board of Directors of the Downtown Los Angeles Neighborhood Council ("DLANC") voted to support the above-mentioned request for a Specific Plan, Zone Change and Development Agreement amendment for the expansion of the Los Angeles Sports Entertainment District project located at 900 West Olympic Boulevard, pursuant to the motion passed on October 20, 2009, by DLANC's Planning & Land Use Committee.

In particular, DLANC encourages the City to grant all approvals requested in the application by the applicant, including a specific plan amendment to annex four parcels in conjunction with the LASED expansion project. In deciding to support this request, DLANC considered that the proposed project will create new permanent jobs, provide community benefits by funding affordable housing and arts contribution as well as provide additional ground floor retail space. DLANC supports this additional commercial and residential land use which will serve Downtown's residents, employees and visitors.

Please provide a copy of the decision letter to DLANC at the address listed above. Thank you.

Very truly yours,

J. Russell Brown
DLANC President

Very truly yours,
