RE: Planning Case #: ZA-2010-1055-CUB-CUX
Project Address: 110 W. 9th Street
Applicant: Eduardo Castillo

Dear Zoning Administrator:

At our regularly held public meeting on February 8, 2011, the Board of Directors of the Downtown Los Angeles Neighborhood Council (“DLANC”) voted to support the above-mentioned request for a Conditional Use Permit (CUB) for a proposed bar/lounge project located at 110 West 9th Street, pursuant to the motion passed on January 19, 2011, by DLANC’s Planning & Land Use Committee.

In particular, DLANC encourages the City to grant all approvals requested in the application by the applicant, including a Conditional Use Permit (CUB) pursuant to L.A.M.C. Section 12.24 W1 to permit the sale and dispensing of a full line of alcoholic beverages for on-site consumption in conjunction with the proposed bar/lounge. In deciding to support this request, DLANC considered that the applicant has volunteered conditions to provide security and to limit the hours and amount of alcohol sales, and has the support of the local Business Improvement District and neighboring stakeholders. In DLANC’s view, the information presented provides adequate justification for granting the requested approvals, subject to any additional conditions recommended by the Police Department and the Council Office. DLANC supports this new nightlife use which will serve Downtown’s employees, residents and visitors.

Please provide a copy of the decision letter to DLANC at the address listed above. Thank you.

Very truly yours,
