RE: **Planning Case #:** ZA-2011-446-CUB
Project Address: 408 S. Main Street
Applicant: Josef Centeno

Dear Zoning Administrator:

At our regularly held public meeting on April 12, 2011, the Board of Directors of the Downtown Los Angeles Neighborhood Council (“DLANC”) voted to support the above-mentioned request for a Conditional Use Permit (CUB) for a proposed restaurant project located at 408 South Main Street, pursuant to the motion passed on March 15, 2011, by DLANC’s Planning & Land Use Committee.

In particular, DLANC encourages the City to grant all approvals requested in the application by the applicant, including a Conditional Use Permit (CUB) pursuant to L.A.M.C. Section 12.24 W1 to permit the sale and dispensing of a full line of alcoholic beverages for on-site consumption in conjunction with the existing restaurant space. In deciding to support this request, DLANC considered that the applicant currently co-operates a successful Downtown restaurant, the Lazy Ox, and is committed to creating a similar dining experience with a different cuisine. In DLANC’s view, the information presented provides adequate justification for granting the requested approvals, subject to any additional conditions recommended by the Police Department and the Council Office. DLANC supports this new foodservice use which will serve Downtown’s employees, residents and visitors.

Please provide a copy of the decision letter to DLANC at the address listed above. Thank you.

Very truly yours,

Very truly yours,
