Project Address: 433 S. Spring St.
Applicant: Irvine & Associates, rep. (on behalf of RRP Industry Spring Street JV LLC)

Project Description: Master Conditional Use Permit for the sale and dispensing of a full line of alcoholic beverages for on-site consumption in conjunction with 4 existing restaurant venues and open air outdoor rooftop bar.

Dear Zoning Administrator:

At our regularly held public meeting on February 11, 2020, the Board of Directors of the Downtown Los Angeles Neighborhood Council (“DLANC”) voted to support the below request, pursuant to the motion passed on January 21, 2020, by DLANC’s Planning & Land Use Committee (“PLUC”).

DLANC supports the Applicant’s requests in Planning Case No. ZA-2019-6242-ZV-MCUP-CUX and associated ENV-2019-6243-EAF. DLANC support is conditioned on Applicant agreeing to the following stipulations below for the project.

In DLANC’s view, the information presented provides adequate justification for granting Applicant’s requests. *Subject to the condition set forth below* and any additional conditions recommended by the LAPD or City Council, DLANC encourages the Los Angeles Department of City Planning to approve the Applicant’s project.

CONDITION 1: Owner/Operator will come back and present to PLUC should owner/operator change;

CONDITION 2: Windows shall be closed at 10:00pm on weekdays and 12:00am on weekends to mitigated noise and outdoor amplified music shall be in compliance with the LA Noise Ordinance.

If possible, please provide a digital copy of your decision letter by mail to planning@dlanc.com instead of sending a hard copy. Thank you in advance for your consideration of the comments presented in this Letter.
