Dear Zoning Administrator:

At our regularly held public meeting on April 6, 2021, the Board of Directors of the Downtown Los Angeles Neighborhood Council ("DLANC") voted to support the below request, pursuant to the motion passed on March 16, 2021, by DLANC's Planning & Land Use Committee ("PLUC").

DLANC supports the Applicant's requests in Planning Case No. ZA-2020-3656-TDR-ZAA-RDPA-RDP-SPR. DLANC support is conditioned on Applicant agreeing to the following stipulations below for the project.

In DLANC's view, the information presented provides adequate justification for granting Applicant's requests. *Subject to the condition set forth below* and any additional conditions recommended by the LAPD or City Council, DLANC encourages the Los Angeles Department of City Planning to approve the Applicant's project.

- CONDITION 1: Applicant will maintain pedestrian access if the sidewalk is temporarily closed during construction.
- CONDITION 2: Applicant will ensure any temporary walkways covered due to construction (e.g., scaffolding) are well-lit at all hours.
- CONDITION 3: Impacts to adjacent properties during construction are minimized to the greatest extent feasible.
