RE: **Proposed St. Patrick's Day Block party on 7<sup>th</sup> Street**

To whom it may concern:

At our regularly held public meeting on, February 11, 2014, the Board of Directors of the Downtown Los Angeles Neighborhood Council ("DLANC") voted to support the above request, pursuant to the motion passed on January 21, 2014, by DLANC's Planning & Land Use Committee ("PLUC").

DLANC supports the applicant's initiative to bring a St. Patrick's Day Block Party to Downtown. As Downtown renaissance continues, it is important to build traditions that are unique to growing community. There are many challenges and concerns regarding proposed street closures and impact it has on traffic and bus routes. DLANC feels that with proper notification, preparation, and implementation of the event, this can be a memorable event for residents and workers of Downtown LA and a potential tradition to continue.

Thank you for consideration of these comments.

Very truly yours,
