Project Address: 1260 S. Figueroa
Applicant: LIGHT STONE DTLA, LLC
Project Description:

The project is Plan Approval for 12 tenant spaces that were previously approved under a Master CUP for service of alcoholic beverages, live entertainment, and public dancing. The tenant spaces are in two hotels, which are the AC and Moxy, that are located within the constructed high-rise tower at the intersection of Figueroa and Pico across the street from the Los Angeles Convention Center. The 12 tenant spaces will be operated by 2 well know hospitality operators, including Marriot and Houston's Hospitality. The tenant spaces will be covered by two Type 47 ABC licenses.

Plan Approvals pursuant to Section 12.24.M of the Los Angeles Municipal Code and consistent with the master CUP already approved by the City in related case CPC-2016-2695-DA-CU-MCUP-CUX-SPR. The request before DLANC is simply to support the plan approvals that implement the master conditional use permit.
