Dear Zoning Administrator:

At our regularly held public meeting on September 12, 2023, the Board of Directors of the Downtown Los Angeles Neighborhood Council (“DLANC”) voted to support the below request.

DLANC supports the Applicant’s requests in Planning Case No. ZA-2023-4937-MCU. DLANC support is conditioned on Applicant agreeing to the following stipulations below for the project.

In DLANC’s view, the information presented provides adequate justification for granting Applicant’s requests. *Subject to the condition set forth below* and any additional conditions

recommended by the LAPD or City Council, DLANC encourages the Los Angeles Department of City Planning to approve the Applicant's project.

- CONDITION 1: Applicant will maintain pedestrian access if the sidewalk is temporarily closed during construction.
- CONDITION 2: Applicant will ensure any temporary walkways covered due to construction (e.g., scaffolding) are well-lit at all hours.
- CONDITION 3: Storefronts of ground-floor retail retain transparency at all times to allow for eyes on the street and pedestrian safety.
- CONDITION 4: Owner/Operator will come back and present to PLUC should owner/operator change.
- CONDITION 5: Request that applicant place safety and security lighting on all four elevations of the building.

If possible, please provide a digital copy of your decision letter by mail to planning@dlanc.com instead of sending a hard copy. Thank you in advance for your consideration of the comments presented in this Letter.
