# EXPLORE THE FUTURE OF EDUCATION IN DTLA AND WHY INVESTING IN OUR COMMUNITY'S RESOURCES MATTERS.

FUTURE OF  
EDUCATION  
IN DTLA

## INTRODUCTION

Welcome to the 1st Annual Future of Education in DTLA, a fireside chat exploring the latest research, ideas, and solutions related to education in the Downtown Los Angeles community. This discussion is a unique opportunity to connect with educators, organizations, researchers, policymakers, and other education stakeholders who are invested in the future of education.

# MAKE A POSITIVE IMPACT ON THE EDUCATION OF DOWNTOWN LA.

**FUTURE OF  
EDUCATION  
IN DTLA**

**WHAT OUR  
COMMUNITY'S  
EDUCATION NEEDS**

The future of education in DTLA has a direct relationship to the collective power that addresses the needs of our classrooms and communities. This includes attracting and retaining educators, smaller class sizes, adult education resources, mental health support for students, equitable access to technology, safe school climates, and so much more.

FUTURE OF  
EDUCATION  
IN DTLA

# THE DISCUSSION

Identifying Trouble Spots in  
DTLA's Education

## **POLICY & RESOURCES**

We are on the cusp of some exciting changes in DTLA and in education. To better understand this progress and possible future directions, it is important to reflect on where we have come from. In this session, we will explore the journey of education within DTLA throughout the years and where to go in the future- the importance, the possibilities and how we can be a catalyst for change throughout this wonderful community of ours!

Engaging Community in DTLA's  
Education

## **INDUSTRY LEADERSHIP**

As we continue to transition into a post-COVID world, educators, industry innovators and community leaders are being challenged to consider how we keep youth and adults engaged in the process of education. In this session, we will share tips and strategies for how we can best support young people and adults in and out of classrooms preparing them for life beyond the school gates.

Investing in DTLA's  
Education

## **COMMUNITY PARTNERS**

This discussion we will explore building impactful partnerships with industry in DTLA by unpacking top tips for incorporating industry into education. From there we will discuss what sustainable education and industry partnerships could look like to help foster a bright future of education in Downtown Los Angeles.
