Dear Zoning Administrator:

At our regularly held public meeting on November 14, 2023, the Board of Directors of the Downtown Los Angeles Neighborhood Council ("DLANC") voted to support the below request.

DLANC supports the Applicant's requests in Planning Case No. ENV-2021-2232-EIR; CPC-2021-2231-GPA-VZC-HD-VCU- ZV-SPR. DLANC support is conditioned on Applicant agreeing to the following stipulations for the project.

In DLANC's view, the information presented provides adequate justification for granting the Applicant's requests. *Subject to the conditions set forth below* and any additional conditions recommended by the LAPD or City Council, DLANC encourages the Los Angeles Department of City Planning to approve the Applicant's project.

CONDITION 1: Applicant will maintain pedestrian access if the sidewalk is temporarily closed during construction.

- CONDITION 2: Applicant will ensure any temporary walkways covered due to construction (e.g., scaffolding) are well-lit at all hours.
- CONDITION 3: Storefronts of ground floor retail retain transparency at all times to allow for eyes on the street and pedestrian safety.
- CONDITION 4: Applicant includes a designated space for accommodating pet waste within the project to mitigate pet waste polluting public right of ways. If this is not feasible, a designated area should be provided in the public right away along with a specific plan for cleaning and maintenance.
- CONDITION 5: Applicant places architectural and security lighting on the west side of the building.
- CONDITION 6: Applicant work with DTOP regarding traffic patterns along vacated alley along 7th place.
