In the event of a disruption that prevents the eligible legislative body from broadcasting the meeting to members of the public using the call-in option or internet-based service option, or in the event of a disruption within the eligible legislative body's control that prevents members of the public from offering public comments using the call-in option or internet-based service option, the eligible legislative body shall take no further action on items appearing on the meeting agenda until public access to the meeting via the call-in option or internet-based service option is restored. Actions taken on agenda items during a disruption that prevents the eligible legislative body from broadcasting the meeting may be challenged pursuant to Section 54960.1. **California Government Code Section 54953.8(b)(3).**

A legislative body that provides a timed public comment period for each agenda item shall not close the public comment period for the agenda item, or the opportunity to register, pursuant to paragraph (5), to provide public comment until that timed public comment period has elapsed.

California Government Code Section 54953.8(b)(6)(A),

A legislative body that does not provide a timed public comment period, but takes public comment separately on each agenda item, shall allow a reasonable amount of time per agenda item to allow public members the opportunity to provide public comment, including time for members of the public to register pursuant to paragraph (5), or otherwise be recognized for the purpose of providing public comment. **California Government Code Section 54953.8(b)(6)(B).**

Comments from the public on other matters not appearing on the agenda that are within the Committee’s jurisdiction will be heard during the General Public Comment period.
